The Art of Respect

April 8, 2014

9:00 am—4:30 pm

Patterson Civic Center

116 Cotten Road

Patterson, LA 70392

The ART of RESPECT will be a day devoted to celebrating the gifts and friendship of Louisiana citizens who live with intellectual, developmental and /or physical disabilities. DHH employees statewide support the ongoing national effort to raise the consciousness of society about the dehumanizing and hurtful effects of the R-word. On Tuesday, April 8, 2014, we are inviting students, schools and communities to challenge everyone to think before they speak and replace the R-word with a different R-word, **RESPECT**.

Join us at the Patterson Civic Center as we work together to show Louisiana what acceptance, inclusion, friendship, unity and **RESPECT** look like through art. For more information or to register, contact Sandra Saucier (Brittany's Project) at 337-828-2284 or Katherine Drexler (St Mary Parish Schools) at 337-828-1767.
